Willow Lakes RV & Golf Resort July - August 2008

Surprise, surprise!!!! The old editor is back. Yep, I decided to move back to Florida - there's no place like home!! And I am so glad to be back with all my good friends. Sam did not make the trip back home with me - he developed bone cancer in his hind quarter and I had to put him to sleep just a few weeks before I left California. I and my co-editor, Linda Gott, will try to make this newsletter fun, newsworthy with up-to-date information that you want to read. Any suggestions to improve this newsletter or any facts you would like to share with everyone will be welcomed and appreciated.....Jo Edelen

This deal will be limited to the first 5 sales and we have already sold 2 lots and have 1 lot under contract. So hurry and pick your lot.

RAIN, RAIN, RAIN.....finally!!!!

We have been working long hard hours on the course and we are pleased that we are making excellent progress. The greens have made substantial improvements and are rolling pretty well.

Be ready for the Open Championship Rough this Fall --- So practice your straight game!
